Help and Support

We're here to help! Please see [this post](#) for more info.

Licenses

UFPS & Add-on packages

Your purchase of the asset grants you a lifetime license that is valid for every future release of the asset. This is all governed by the Unity Asset Store End User License Agreement (EULA). [Click here](#) for more info.

CgTextures

One or more textures in this package may have been created with images from CGTextures.com. These images may not be redistributed by default. Please visit www.cgtextures.com for more information.

We wish to thank ...

ProBuilder

The Sky City level was designed by the amazing ProCore team. Check out their groundbreaking Unity tools at www.protoolsforunity3d.com.

GameTextures

Some of the textures in this package were generously provided by GameTextures.com. Check out their library of fantastic game-ready materials at: www.gametextures.com

Again, thanks for buying this asset and good luck with your game ! =)
